Re: Extension of Filing Deadline for 2009 Annual Operations Report

Dear Mr. Dock:

On March 26, 2010, we received your request for Kipnuk Light Plant (KIPNUK) to be allowed to delay submission of its 2009 annual report until **April 30, 2010**. We reviewed your request and determined that the extension should be conditionally granted.

You indicated that KIPNUK is unable to meet the requirement to file their annual report by March 31, 2010, due to the necessity of having to reconcile quite a few accounts and having to engage the services an outside accountant. We remind KIPNUK that the filing of its annual report **within 90 days** after the end of its annual accounting period is required by statute (AS 42.05.451). However, given that the Commission has granted extensions to utilities in previous years for similar circumstances, we will conditionally grant KIPNUK's request.

We grant KIPNUK's request to extend its annual report filing deadline until **April 30, 2010**, with the condition that by **March 31, 2010**, KIPNUK shall report to the Commission the selected annual report data in our Utility Annual Report Online website by logging in at <http://rca.alaska.gov>.

KIPNUK's attention to the complete preparation of its annual report is appreciated. If KIPNUK has any questions regarding the contents of this Letter Order, please contact Tyler Clark, Utility Financial Analyst, at 263-2103.

BY DIRECTION OF THE COMMISSION

Sincerely,
REGULATORY COMMISSION OF ALASKA
